

Donating Items to New Life Resource Center

We believe strongly that our clients deserve the very best for their babies and little ones. We directly assist moms & dads in need every day & items in great condition that are donated to us go directly to our clients. We always prefer new items for our boutique, but we gladly accept gently used under the following conditions:

1. ***Clothing donations should be in excellent condition, freshly washed, and purchased within the last 3 years.*** Please ensure that all zippers, buttons, snaps, etc. are intact and that there are no tears or stains.
2. ***Baby gear should be in good condition, purchased in the last 5 years, ready to use, and be freshly washed.*** We ask donors to include written instructions on what the item is used for (if not obvious) and how to use it (ie: how to open a stroller, any features a mom would want to know about, tips for use, etc.)
3. ***We do not pick up donations.*** Donations can be dropped to our center during any of our open hours: Tuesday, Wednesday, Thursday 9-4.
4. **We do not accept:**
 - ***Used cribs or car seats*** (we do take Pack and Plays)
